

COOL JOBS FOR SMART PEOPLE

WORKING AT SWISSOPTIC AG

SWISSOPTIC

A member of the JENOPTIK Group

THIS IS SWISSOPTIC AG

ATTRACTIVE, INNOVATIVE AND INTERNATIONAL

SwissOptic AG is part of the global operating technology group Jenoptik. The majority of the Jenoptik Group's range of services are focused on the photonics market. As a part of the Advanced Photonic Solutions division, SwissOptic AG specializes in high-precision, customer-specific optics for applications utilizing the power of light.

With over 320 employees in Switzerland and 120 employees in China, we develop and manufacture a wide range of precision

optical components, assemblies and systems.

We are the competent partner along the entire process chain, from design to series production. Our knowledge and many years of experience in the most diverse areas of application of optical systems enable us to solve challenges with a specific design.

DO WE FIT TOGETHER?

At SwissOptic AG, people work with the highest precision on innovations in optics. We are looking for personalities who put their heart into their work and also think outside the box from time to time. Do you want to be a part of interesting projects and help write another chapter in the SwissOptic success story?

Apply for one of our open jobs. If you don't find what you're looking for, we look forward to receiving your unsolicited application.

WORKING AND LIVING IN THE ST.GALLEN RHINE VALLEY

Your future place of work Heerbrugg is located in the Rhine Valley St.Gallen, one of the most underestimated bijoux in Switzerland. It impresses not only with its innovative strength, but also with its attractive location in the four-country corner of Germany, Austria, Switzerland and the Principality of Liechtenstein. It is a great place to live and work. The people of the Rhine Valley know how to balance family, career and leisure.
